PRO- GRIT™ PRODUCTS

You Can See the Difference!

- **HIGHLY VISIBLE FLUORESCENT COLOR**
Ideal for use in low-light conditions
- **DURABLE HEAVY DUTY ABRASIVE MESH**
Lasts longer than other abrasive products
- **CONVENIENT EASY-TEAR STRIPS**
180 grit abrasive mesh is rugged, yet can be easily torn to desired length without scissors or blades
- **IDEAL FOR MANY APPLICATIONS**
Use for cleaning copper prior to soldering or brazing, drywall installations, wood-working and other do-it-yourself projects
- **WATERPROOF**
